Need Statement: <or problem="" statement=""></or>	
GOAL: <what accomplish="" expect="" td="" throug<="" to="" you=""><td>gh the project?></td></what>	gh the project?>
Approach: < <u>specific</u> steps taken to achieve the g	goal>
Expected Benefits: < list measurable benefits	its of achieving the goal>

Project Metrics: (Please respond to the following:)
1. How will you measure success?
2. Why are grant funds necessary to achieve this project?
 3. Describe how this project benefits current and future generations of Florida residents and visitors and meets one of the following criteria: Preserve open space and wildlife habitat; Provide sportsmen with permanent access for hunting and fishing; Promote a conservation ethic and wise use of natural resources; and Improve wildlife habitat through cooperation with other conservation organizations.
4. How would you describe this project (please check one, click one if using MS Word)
☐ This is a test case/feasibility study. We are laying a foundation for future work.
We are building a program or project based upon a foundation that was previously established.
☐ We are maintaining a program or project that is established and working effectively.
☐ We are rebuilding/re-evaluating an established program or project.

Financial Information: Please describe your proposed budget and spending plan for the project.

1. Budget: Using the table below, please indicate your project budget. Enter your budget figures into the table. Copy and insert additional rows if needed. The applicant is responsible for ensuring that all calculations are correct.
